Instant Payouts + Account Verification
All-in-One API for Gambling Operators

Jan 14, 2025, 12:14:09	X1234567A	ES00 0000 0000 0000 0000 0001	Confirmed
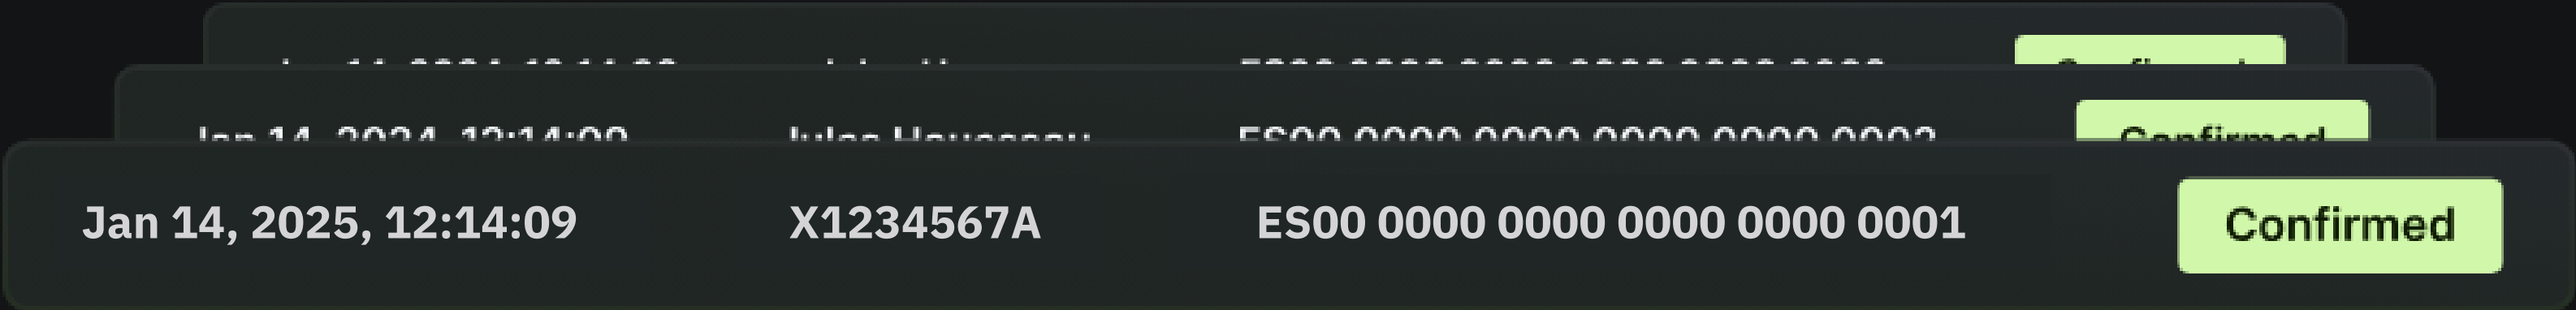

Verify and pay instantly, reduce fraud, ensure compliance and boost player loyalty with a single API

Built for Betting Sites, Online Casinos & iGaming Platforms

Instant Payouts That Keep Players Coming Back

Transform waiting periods into immediate satisfaction, boosting customer lifetime value and same-day re-engagement rates.

Automated Compliance & Fraud Prevention

Instantly verify any SEPA bank account holder and meet AML standards without manual work.

Operational Excellence Through Automation

Replace manual and repetitive processes with real-time verification and payout automation.

Seamless Integration & Scalability

One API integration handles everything: verification, payments, and real-time status updates across all your platforms.

Traditional flow vs Flow with Devengo

Traditional flow

- 📄 **Manual** account holder verification
- ⏳ Payout delay up to **6 days**
- 😫 **Slow** payouts kill the post-win rush
- ⚠️ **Risk** of fraud & compliance penalties
- 🔄 Multiple systems = operational chaos

Flow with Devengo

- ✅ **Instant** account holder verifiaction
- ⚡ Funds delivered in **<10 seconds***
- 💸 Happy players **= faster reinvestment**
- 🔒 Reinforce your **compliance** processes
- 🔗 One unified solution: **verify + pay**

*Between SCT Inst participants.

Why Gambling Operators Choose Devengo

- ✔ High success rate in A2A payments
- ✔ Direct technical connection to the Spanish clearing house
- ✔ 24/7 availability - always ON
- ✔ Real-time monitoring and traceability
